OAKLAND
UNIVERSITY™

Wilson Hall, Room 2000, 371 Wilson Blvd., Rochester, Michigan 48309-4486

CONGRATULATIONS ON YOUR ADMISSION TO OAKLAND UNIVERSITY!

You are about to join our community of 17,000 students who live, learn and work on Oakland's campus in southeast Michigan. You're almost part of the Golden Grizzlies, ready to pursue excellence with 140 undergraduate degree programs and ready to stand out from the competition.

But before all that, you need to complete a few steps to guarantee your spot at OU.

STEP 1

ACTIVATE YOUR ACCOUNT NOW

Follow the directions at oakland.edu/activate to activate your account and create a PIN, NetID and password. You'll need your Grizzly ID number from your acceptance letter to get started. Your PIN number allows you to view and pay your eBill.

Your NetID and password allows you to:

- Apply to live in on-campus housing
- Accept scholarships
- Review financial aid awards and requirements
- Receive direct deposit and billing (eBill) notifications
- Check your OU email and calendar
- Access grades, transcripts and more

Once your student account information is created, sign into your MySAIL account using your NetID and password at mysail.oakland.edu.

Get in the habit of checking your OU email regularly for important updates, notifications and announcements. Access your email through the 'webmail' link on your MySAIL account or through gmail.com.

STEP 2

REGISTER FOR ORIENTATION BEGINNING OCTOBER 1

New Student Orientation is your gateway to a strong start at OU. The required orientation empowers you to take charge of your education and paves the way for a smooth transition to university life. Plus, the entire orientation experience is free, and we do not require an enrollment fee.

At orientation, you'll connect with new students, be introduced to OU's campus, meet your first-year academic adviser and register for courses. Family members are encouraged to attend with you and take part in designated sessions exclusively for them.

You will have additional opportunities throughout the summer to explore campus, connect with various student services, and learn more about the many resources that will help you be successful. Watch your OU email for more information about a campus kickoff and more!

You can register for orientation beginning October 1 at oakland.edu/orientation.

STEP 3

COMPLETE THE FAFSA BEGINNING OCTOBER 1

We're proud to make an exceptional education affordable. More than half of all OU students receive financial assistance totaling more than \$150 million annually. You can benefit from those funds too.

Apply for financial assistance by filling out the Free Application for Federal Student Aid (FAFSA) beginning October 1 to be considered for federal, state and/or OU need-based aid. Be sure to use OU's federal code: **002307**.

STEP
4

SUBMIT A HOUSING CONTRACT BEGINNING OCTOBER 1

Living on campus is the best way to achieve the full college experience. Almost 2,000 students live at OU, and each year more and more want to — and for good reason: OU is ranked one of the safest college campuses in the country and the overall safest in Michigan.

Residents receive academic, emotional and social support with highly trained staff members, chosen for their proven ability to work with students, who live right in the residence halls. Living options are a quick 15-minute walk to classrooms, labs, Kresge Library, the Rec Center, dining and more.

You can submit your housing contract beginning October 1 at oakland.edu/housing/apply. You'll need your NetID and password to log on. Housing space is limited; please set a reminder now to submit your contract on October 1.

STEP
5

ACCEPT SCHOLARSHIPS (if applicable)

OU offers scholarships based on academic achievement. As an admitted student, you have automatically been considered for these scholarships and may have received one upon admission. Go to oakland.edu/scholaraccept to accept your scholarship now.

STEP
6

CHECK YOUR FINANCIAL AID STATUS CONTINUOUSLY

If you complete the FAFSA in early October, you will receive award notifications for other scholarships, grants and loans beginning in December (and continuing as new awards are made). Often, we need additional information or documentation to process your aid. Be sure to check your OU email regularly so you can respond promptly. Remember, no enrollment deposit is required at OU.

STEP
7

REVIEW COURSE PLACEMENT BEFORE ORIENTATION

While Oakland University does not require your SAT/ACT test scores for admission, submitting your scores before your orientation will allow you to skip course placement exams for writing and math. Your scores may also open opportunities for OU scholarships.

Students who do not have scores on file will need to complete placement tests to determine their first course in writing, mathematics and modern language/American Sign Language.

STEP
8

SEND OFFICIAL HIGH SCHOOL TRANSCRIPTS BEFORE SUMMER

Don't forget to request that your final high school transcript be sent to OU upon graduation. Remember, high school counselors are available to assist with your transcripts.

Transcripts may be emailed to oakuniv@oakland.edu.

STEP
9

SUBMIT COLLEGE CREDIT BEFORE ORIENTATION

Let all your past hard work count at OU. At least one month before summer orientation, submit your scores and transcripts. We grant credit and/or exemption for selected Advanced Placement (AP), International Baccalaureate (IB) and College-Level Examination Placement (CLEP) tests.

Credit may also be granted for university or college courses taken through an early/middle college program or dual enrollment in high school. Before summer orientation, submit all your scores and official college transcripts to:

Office of the Registrar
North Foundation Hall, Room 160
318 Meadow Brook Road
Rochester, MI 48309-4454

Transcripts may also be emailed to trcredit@oakland.edu.

STEP
10

ENROLL IN AN OU PAYMENT PLAN

If you plan on using financial aid, it's important to understand what your aid covers and what it doesn't. For any miscellaneous charges posted to your student account (i.e., lost ID charges, etc.), you'll need to determine how to pay for them. OU offers a payment plan which allows you to spread your tuition and costs into smaller, more manageable payments. Check eBill to enroll in a plan.
