

**OAKLAND UNIVERSITY WILLIAM BEAUMONT SCHOOL OF MEDICINE
PUBLICATION LIST BY DEPARTMENT
2014**

This bibliography was compiled to recognize the school's scholarly activity including journal articles, published meeting abstracts, book chapters, books and other works written by OUWB faculty, students and staff. It was created by searching the institutional affiliation fields in PubMed, Scopus, Web of Science, EMBase, CINAHL, MedEd Portal, Google Scholar and Google Books for all citations published in 2014. These citations were downloaded into an EndNote database, enhanced and reformatted for this report. Because of search limitations, it does not represent an exhaustive list of all published works by OUWB authors. If your publication was inadvertently missed, please email the citation to the Medical Library at medref@oakland.edu. For any questions please call the Medical Library at (248) 370-3772.
