

OAKLAND UNIVERSITY WILLIAM BEAUMONT SCHOOL OF MEDICINE PUBLICATION LIST BY DEPARTMENT

2016

This bibliography was compiled to recognize the school's scholarly activity including journal articles, published meeting abstracts, book chapters, books, and other works written by OUWB faculty, students, and staff. It was created by searching the institutional affiliation fields in PubMed, Scopus, Web of Science, EMBase, CINAHL, MedEd Portal, SpringerNet, Google Scholar, and Google Books for all citations published in the 2016 calendar year. It was further supplemented with citations from the Beaumont Research Institute's 2016 Report of Accomplishments. Citations were downloaded into an EndNote database, enhanced, and reformatted for this report. Because of search limitations, the report does not represent an exhaustive list of all published works by OUWB authors. If your publication was inadvertently missed, please email the citation to the Medical Library at medref@oakland.edu. For any questions please call the Medical Library at (248) 370-3772.
